chemistry.ucc.ie

SIAS aims to:

- Promote science as a subject to young people, and to show the excitement of hands-on spectroscopy.
- Provide a simple and versatile equipment to schools for the demonstration of optical spectroscopy.
- Cover a range of experiments to allow coverage of topic for 4th years to 6th years.
- Supply full teacher training and support from University staff.
- **Booking Form:** <http://www.rsc.org/Education/sias/siasbooking.asp>
- **Further details:** <http://www.ucc.ie/en/chemistry/outreach/sias/>
- **Contact details:** t.carey@ucc.ie/sias@ucc.ie
